"WITH GREAT POWERS COMES GREAT RESPONSIBILITY"

Who doesn't like appreciation? No one for sure, especially when that appreciation is hard earned and well-deserved. For us at Oasis, excelling is a tradition as, we invest our time, money and energy to deliver supreme quality products. This undying spirit has made us a brand to bank upon and this zeal of ours is backed by two powerful recognitions that we received in the form of India's Greatest Brands and leaders and Power Brands Awards. Earning such renowned recognitions has fuelled us with more of energy to perform better each day.

In this day and age, the ceramic industry is prospering at the speed of light. The major driving force here is evolution and progress in the technological and innovation front and an interesting thing to note here is, India is not lacking behind in this regard. It is the 3rd largest consumer for ceramic tiles in the world.

This gracious growth rate has been observed due to the immense popularity of tiles as decor element and that has happened because of availability of unique and distinctive tiles. One of the key players for driving this innovation is Oasis. At Oasis, growth is fueled by dreams and desires. For us, our clients are not profit-giving entities, they are our growth causing partners.

We always aim at serving class apart products and providing satisfying services that can work as wholesome tiling solutions. To do so effectively, we rely upon our highly skilled and experienced working brigade that works day in day out under the constant guidance of prudent visionaries. Our major strengths include our in-house R&D department that allows us to come up with innovative and reliable solutions. To put those solutions into practice, we have got on board, latest technology, and machinery that we source from Italy and Spain. These parameters have helped us to gain massive growth rate since, in the year 2006, we had commenced with the production capacity of 5000 sq. mtr. per day and today, it has reached to 55,000 sq. mtr. per day. We also run a Sanitary-Ware plant with a total production capacity of 25,000 pieces per month.

All in all, with an extensive range of High Gloss Glazed Vitrified Tiles, Glazed Vitrified Tiles, Glazed Outdoor Vitrified Tiles, Full Body Vitrified Tiles, Double Charge Vitrified Tiles, Glazed Ceramic Wall Tiles and exclusive Sanitaryware collection, we are en route to fulfilling your own dream.
